

<p>Reception staff will continue to hand the survey out until a satisfactory number have been completed. The group decided that we should aim to receive back at least 400 questionnaires (as per last year).</p>	
<p>5. Practice News</p>	
<p>New Receptionist – The practice is delighted to welcome Annette to the team as Receptionist.</p> <p>Student Nurse Training – The practice is planning to take part in a student nurse training project. Several members of the clinical team met with representatives from a pilot practice last week to obtain further information. The project would support undergraduate nurses in their training and development.</p> <p>Clinical Team – Dr Miriam Alzouebi has kindly accepted a Salaried GP position after having successfully completing her training here. She will start on 1st December. Dr’s Rachel Shelston and Chandrika Brennan will join us in January 2013.</p> <p>Flu Campaign – Our 2012 flu campaign is well underway, and we have already managed to vaccinate a large proportion of those eligible. Fortunately we have been unaffected by vaccine supply problems.</p>	
<p>6. Any Other Business</p>	
<p>1). Comments Box It’s felt that the comments box designed for patients to leave feedback is too discrete. It was suggested that we advertise the fact that we have a means for patients to leave informal feedback/ comments/ suggestions for improvement. Natalie agreed to discuss this with Janice and would incorporate it in the next newsletter.</p> <p>2). Leslie enquired about the television in the waiting room. Susie explained that the practice does not fund it and that it exists in isolation. It may be that is removed in the near future.</p>	<p>Natalie</p>
<p>7. Date & Time of the Next Meeting</p>	
<p>The next meeting will take place at 6pm on Thursday 6th December 2012.</p>
